

THREE MORE DAYS, 72 HOURS, OF THE BIG CONTEST REMAIN

WORK DONE NOW, WHEN EVERY SUBSCRIPTION COUNTS SO BIG, HAS FAR GREATER VALUE THAN IT CAN EVER HAVE AGAIN—ALL INDICATIONS POINT TO A FURIOUS FINISH—THREE MORE DAYS AND ALL WILL BE OVER—FINAL COUNT NEXT WEDNESDAY EVENING AT 8 O'CLOCK

Three More Days And The Many Handsome And Splendid Prizes Will Be Won

Candidates All Worked Up to a High Pitch and All Is Energy and Excitement—Second Payments Count Fast Now—Subscriptions, Under the Final Vote Scale, Bring In Many Votes—Every Second Is Now of the Greatest Importance.

With every contestant lining up her forces and preparing for the final dash to the wire, THE GREATEST POPULARITY CAMPAIGN EVER CONDUCTED IN HAWAII is rapidly drawing to a close, and has now developed into a matter of hours. But three short days, 72 hours, of the contest remain, and the seventeen splendid prizes will then become the property of seventeen of Hawaii's most popular and energetic young women. All indications point to a furious finish, and effort now is worth so much more than it can ever possibly be again that even the seconds remaining have a value. Throughout these three days that remain the battle of ballots will wage throughout the Territory and not only this section, but many places away are interested in the outcome. This intense interest, which has now reached the fever-heat mark, is caused not only because of the many popular young women competing, but because of the value and magnitude of the prizes that will be awarded. No contest ever conducted in Hawaii has offered prizes of any more desirability, and never has such an array of splendid awards been given under such liberal conditions.

With such a short time remaining practically every contestant realizes that her time is of the greatest importance and is determined to her very best before the finish arrives. Now is the time when your efforts count and NOW is the time you really want to work, and work as you never worked before, for the prizes are of such magnitude that to forego the opportunity to win them, when they might be yours for a little effort during these closing days, would be a crime.

Do It Now.

The expression "DO IT NOW" was never more applicable to a case than it is to yours right now. Make every remaining moment count, and if you do not now see the logic of this reasoning, you surely will when you are receiving the congratulations of your family and friends upon having won and have for your very own a magnificent prize which is even now within your grasp. But three days and it will all be over. DO IT NOW.

Important to Contestants.

Merely as a matter of caution and to assist candidates in every way to receive the full benefit of their work, are these lines printed. It is of the utmost importance that every contestant, and particularly contestants outside of Honolulu, read and weigh every word of it. We would dislike to see anyone lose votes because of the excitement which will surely attend the closing days, or because of any misunderstanding on their part. It is impossible for you to exercise too much care on arriving at a full understanding of the rules and conditions governing the contest.

1. All votes and remittances mailed after Thursday should bear a SPECIAL DELIVERY STAMP to insure their reaching us in time.

2. If you live outside of Honolulu and intend to mail your votes, take the precaution of finding out exactly what time your postoffice closes, and also find out all possible information in regard to train and steamer services.

3. All remittances and votes should be addressed directly to the "Contest Manager" at the Evening Bulletin office. This is to insure absolute accuracy and prevent any of them from going astray.

4. Be sure that your name is on every ballot before sending to this office. This is very important and absolutely necessary.

5. All votes and remittances must be mailed by 9 p. m. next Saturday night, June 22, in order to count in the contest. The postmark on the envelope or the postmaster's signature, showing that the envelope or package was mailed before 9 p. m., will be accepted as sufficient evidence.

6. UNDER NO CONDITIONS WILL VOTES BE TRANSFERRED FROM ONE CANDIDATE TO ANOTHER. THIS IS AN INVOLUBLE RULE OF THE CONTEST AND UNDER NO CIRCUMSTANCES WILL IT BE BROKEN.

When Final Votes Will Be Counted.

The final count of votes, which will determine the winners, will be held Wednesday, June 26, at 8 o'clock p. m., in the business office of the Bulletin, Alakea Street, Honolulu, and will be in charge of Messrs. John Soper of the Hawaiian News Co.; Oliver Lansing, the real estate operator; Geo. B. Curtis, manager of Jordan's; Wm. Battersby, advertising manager of Sachs & Co.

These gentlemen, whose standing and reputation in Honolulu is beyond question, have kindly consented to canvass the votes for the final count, and their selection insures every candidate an absolutely fair and impartial count. This count will be public, and candidates, their friends, and others interested in the contest are invited to be present.

No More Votes Returned.

Owing to the uncertainty of mail reaching candidates in time to be returned for the final count, the Contest Department will acknowledge by letter all votes and remittances received from candidates from this time on, but the votes will NOT be returned, but will be deposited in the ballot-box, to the credit of the proper candidate, instead of being returned to candidates, as has been done so far. This applies only to subscriptions sent in to us by mail.

Prizes for Every District.

So not lose sight of the fact that there are prizes for every district equal in number and value. In each district will be awarded a \$550 "Remington" player-piano or a round trip to San Francisco, a handsome and perfect \$100 diamond ring, a solid gold ladies' watch and a round trip to Kilauea or Honolulu and return. Candidates do not compete with candidates in other districts except for the Capital Prize 1912 "REGAL UNDERSLUNG" Automobile. Now is your chance to win one of these handsome awards, and the greater effort you put forth the greater your reward will be. "LOW AIM, NOT FAILURE, IS A CRIME."

Something Important—Second Payments.

Now is the time when Second Payments are of the greatest value. For instance, Suppose a person who subscribed and paid \$4.00 for six months, can be induced to extend this subscription to a year. You received 10,000

One Given in Each District

\$100 Diamond Rings Beautiful and Perfect

votes on this first payment, but now, under the final vote-scale, by getting this person to pay an additional \$4.00, for six months, making a year in all, you secure the difference between the 10,000 already received, and the 40,000 votes now given for a new yearly subscription, or 30,000 votes for the additional \$4.00. These count up big right now, and NOW IS WHEN YOU NEED VOTES, WITH THE FINISH SO CLOSE. This "Second Payment" ruling applies to any new subscription you may secure, and also on old subscriptions. In fact, it works out to such a great extent that you cannot probably appreciate to what extent these will reach until you start working for extended subscriptions. Mark all such subscriptions "SECOND PAYMENT" to make certain you receive all the votes to which you are entitled.

Be On Time.

Those who depend upon the mail to bring in their votes should mail them as soon as possible. Of course, you are allowed to mail votes and subscriptions up to 9 o'clock on the night of the close, but it would be well to send in your reserve-votes a day or so ahead if possible. If mailed later than Thursday, they should bear a special delivery stamp. Candidates in the city should bring in their subscriptions as early as possible to avoid the rush of the last day.

Many Dark Horses in the List.

Looking over the standings of candidates as they appear in today's issue for the final week hardly gives an idea of the real strength of numbers of the young women whose names are not hovering close to the top in the various districts. Many and many a candidate sacrificed her entire reserve in order to be close to the top during the last days, while numbers of others, wiser than their years, decided to keep back their ballots until the finish and expressed themselves as satisfied with less prominent positions, saying that their real friends, who are going to help them, knew their true strength and by appearing farther down the list would arouse less opposition and have clearer sailing toward their goal. These quiet workers are numbered among the strongest candidates, and LOOK OUT FOR THEM WHEN THE END DRAWS NEAR. YOU CAN NEVER TELL FROM THE SOUND OF THE HORN HOW FAST THE CAR IS GOING.

No Deviation From Regular Rules.

Now is an appropriate time to notify every candidate that there will be absolutely no deviation from the regular rules in handling subscriptions at the close. Every subscription must be written out on the stubs, if possible, furnished for that purpose, as has been done in the past, and must be accompanied by the full amount of the subscription. Names and addresses must be written plainly and absolutely correct, as far as possible, for the immense amount of business that will surely be done during the last days will make it impossible to handle these with dispatch unless this is done.

By keeping these facts in mind candidates will be certain to make no errors and this department will not be obliged to refuse to handle any subscriptions sent in. The final count will be in charge of a committee of well-known local business men, whose standing in this community will assure every candidate a square deal. These men will have no other interest in the count than to canvass the vote carefully and methodically at the request of the Bulletin, and their count will absolutely determine the winners of the prizes.

Look Over Your Standings Carefully.

The standings which appear below include every coupon, every subscription ballot and every vote cast, with the exception of those which have been returned, during the campaign up to Noon Sunday. These votes will not be counted again, as the final count will be of the reserve-votes of candidates, which will be deposited in the ballot-box during this week. If this count is not absolutely correct according to your figures, kindly notify us at once, that proper checking up and correction may be made before the close of the contest.
